We would appreciate having a statement about your philosophy and work as an artist—either general or something specific about the piece(s) selected for this year's May Show to aid us in the preparation of gallery talks and in the release of publicity materials. For more space, use the back of this sheet.

My work is based on formal issues, line, form, color etc. I make no social or political statements with my work. I would say my style of working reflects my interest in mostly the art Deco and Constructivist styles.
